The Parable of the Great Supper

Luke 14:15-24

Q.1 - Have you ever planned an event and had people decline the invitation? What were the stated reasons?

Q.2 - In this parable, who are the original invited guests? Why don't they come? Who are the ones who eventually come? What happens to the original invitees?

Q.3 - What does this parable teach about God's Kingdom? What keeps people out? What enables them to come in?

Q.4 - From your own experience, how do you explain why so many people say "No" to God's incredible banquet?

Q.5 - What view of God does the average "unchurched" person have? What would it take for them to sense God's loving invitation to table fellowship?

Prayer: Lord, use me as a servant to invite the lost to God's banquet
