Gods Pointer Series

The Prodigal

Luke 15:11-32

Q.1 - Describe your home life growing up. What values are still with you today.

Q.2 What things/practices that your parents valued are not as important to you?

Q.3 - In the message, Pastor Ralph said that every soul is precious to God, Why?

Q.4 - In what ways is the attitude of the prodigal in all of us?

Q.5 - Take time to carefully study Galatians 6:7&8. In your own words describe what that verse means.

Prayer: Lord, you know how prone I am to want to do my own thing. Sometimes I even do it and then ask you to bless it. Teach me to trust you and be content with the life You are shaping out for me.

I love you, forgive me when I act like the prodigal. Help me to remember that You are always waiting for me to come back.

Amen
