**January 11 Sermon 1**

1. The Tyranny Of The Urgent. Can you list a few things in your life that you would consider “Urgent”?
2. What would you list as the important things in your life?
3. Look up again 1 Thessalonians 2:1-13. I listed 4 Priorities (Be Biblical, Be Authentic, Be gracious and Be Relevant. )Can you find the four priority items in these verses?
4. Why are these priorities so important? What happens when they are missing in a persons life? Or from one’s church?
5. Spend some time this week and reflect upon the priorities in your life. Why not pledge to make these four the building blocks from which you plan your life.
