Hebrews 10:25

January 25 Sermon #3

1. Encouragement plays a vital part in our relationship with one another. Talk about why. Be specific as you describe the things encouragement does for a person.
2. Go back over Hebrews 10:19-25. Read it aloud and slowly. Talk about the one part that seems the most significant to you. Explain why.
3. Can you think of 3 or 4 ways in which we “discourage others?” Do you do this? If so, why? What are some ways in which you and I can “encourage” others?
4. As an individual or as a connect group, list some things that you intend to do to encourage others. Be specific, and then mark down a date that this will be accomplished.
