1. Define: "attitude" - How is it different than "conduct" or "competence?" - does attitude affect wither one?
2. Philippians 4:8 is the scriptural climax of the chapter. This verse zeros in on 6 areas that we are to let our minds dwell on. Let's look at all six now and slowly, methodically try to define each item

Phil 4:8

Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy — meditate on these things. NKJV

3. The dark side of attitude is also very real. In which areas do you really struggle? (are you more negative than positive?)
4. Respond to Proverbs 15:15. Why is this true?

Lord, I give you my attitude today. Help me to use each day as another opportunity in which I can use my good attitude to spur others on in hope.

Amen
