INTEGRITY

### Daniel 6:1-16

**Integrity** is the act of living as a citizen of \_\_\_\_\_ while still being a citizen of \_\_\_\_\_.

1. Where do you find the most difficult tests of your integrity?  
*E.g. Work, personal finances, faith?* What are some reasons why this area is such a challenge?
2. There are many ways the bible describes the life of following God. What are some reasons for describing Christians as “citizens” of heaven?
3. Read through Daniel 6:16-28. Discuss some of the outcomes of Daniel’s integrity in this situation.  
Do you trust God to lead you through your “lions den” and bring you out on the other side?
4. Why does living with integrity matter? How does God use the integrity of his people in his Kingdom work?  
*Look at Ex. 19:5-6, Isaiah 58:9-12, John 14:21 for some ideas.*

**Challenge:** What area of your life are you lacking integrity in? Confess it to God (1 John 1:9—*He will forgive you!*). Now, confess it to a brother or sister in Christ (James 5:16—*God will bless you and use this person to help you live with INTEGRITY!*)
