

March 29th, 2015

1. If someone who didn't know Christ asked you "Does God care about what is happening in the world?" How would you answer them? How do you know you're right?

"The Truth of scripture is unpopular and inconvenient."

2. What is discouraging Christians in our present day? Read through Zechariah 9:9-17 and discuss God's answers to some of these discouragements.

Pause and pray for those who are discouraged, and ask God what you can do to be an encourager.

3. With promises like Zech 9:16-17, why do you think so many people resist God's call? What can Christians do to effectively spread the hope of the gospel? (For further reading on this topic look at Psalm 2.)

Challenge: What will you do this Easter to celebrate the coming of the King, and how will it be obedient to the "therefore" of the great commission?
