1. Who prayed with you when you were a child? Did you have a standard prayer that you recited? Can you recite it now?
2. What does the parable in Luke 11:5-10 teach about prayer?
3. What three commands does Jesus give in vs 9? How are they different from one another?
4. What is the promise He gives?
5. What concerns occupy most of your prayer time?
6. When have you felt like God was not listening when you prayed? Have you prayed for something and felt like God did not answer?

Prayer: Father forgive me when I have been too rushed to spend time in concentrated and deliberate prayer. Help me to be patient and persistent when I need to be.

Amen
