

The Purpose in the Plan

1. Re-read Hosea 12:6. What were your initial thoughts about what “waiting” means here. How did they line up or not line up with “faithfully being in God’s presence”?
2. 1 John 4:7 says “[t]his is how love is made complete among us so that we will have confidence on the day of judgement: In this world we are like Jesus” (NIV). How does waiting on God make us more like Jesus?
3. Psalm 37:7 tells us to be still before the Lord and wait patiently for Him. How will you do this when you are in the middle of a busy time in your day? What are some of the ways you can be still during the week?
4. If you’re a believer, then you are following Jesus right now! What are you waiting for direction for today, or what is that “thing” you are waiting on right now? Practice listening prayer by yourself or in a group. Wait for God and see how He calls to mind scripture, thoughts, or questions. (*Remember, this takes listening **daily!***) Pray about what you hear, seek it out in the bible, test it with a godly friend, and **most importantly, obey what God says!**

Go in the grace of God and follow Jesus!
