

Attendance Info Sheet – Updated June 29 2020

We're glad you want to join us again in-person! This will be different, and though this seems like a negative list, it's a practical way for us to care for our neighbours and show that we are thankful for the opportunity to gather together!

For your safety please note:

1. If you feel sick or have been in contact with someone that is or has been, or you have traveled in the last 14 days, please stay home and watch the online version of the services.
2. Attendance is limited to 30% capacity of our sanctuary size. This translates into about 60 people allowed to gather at one time.
3. You will need to register for the service in advance. (Visit www.utmc.ca if you are not on the church e-mail list).
4. You will need to register by Thursday at 9:00 am for the upcoming Sunday.
5. You will receive an e-mail confirmation /telephone call confirming that a space has been reserved for you.
6. We will still have an online service available on Facebook and YouTube. The live service will follow the same format as the online version.
7. Social distancing will be required both before and after the service, so please keep this in mind.
8. You will be ushered in by family by an usher and seated accordingly.

9. Arrive early as seating one family at a time will take some time. The sanctuary will be set up in such a way as to maintain the proper social distancing required between families.
10. Facemasks will be available for any who would like one. Ushers will be wearing facemasks or shields.
11. We will not be providing coffee or other beverages during the service
12. There will be no congregational singing.
13. Unfortunately, there will be no childcare or Sunday school for the time being, so children will need to sit with their parents for the duration of the service.

Thank you SO MUCH for being flexible and working together to keep each other safe. God is using this time to shape us and teach us new things.

God Bless,

UTMC Leadership
